SimMagic On Ice 2015 Sale Report

Saturday, January 17, 2015 • Denver, Colorado

The 6th Annual SimMagic on Ice was an evening to remember with a packed ballroom of Simmental enthusiast. An event like this happens because of great breeders and loyal sponsors. Trans Ova Genetics, Cattle Visions, EDJE Technology and LiveAuctions.tv are our partners for this ballroom sale. The first item of the night was the donation from Travs Ova Genetics of an IVF Cycle using reverse sorted semen with all the proceeds going to the American Simmental Foundation ear marked Junior scholarships. This was purchased by Maddy Udell (AJSA Trustee) along with her parents Bret & Becky Udell of Udell Cattle CO, IA, for \$4,000.

The second item of the evening was a donation for the North Central Regional that will be held in Austin, MN, this summer. Two embryos of the 2012 Denver Champion Simmental Female JSMF Flick of Glitter X HS Unity U334 were donated by Jim & Stacie Mueller of Mueller Farms, MN. James Campbell of Campbell Show Calves, PA, purchased the embryos for \$3,800.

Thanks to everyone for being part of our EE team that evening and joining us for an exciting and successful sale. Bidders from 33 states and Canada were evaluating the Sim Magic genetics along with 168 viewing on Liveauctions.tv.
