2020 Chestnut Angus Farm 22nd Annual Production Sale

Wednesday, February 26, 2020 • Pipestone, MN

The 2020 Chestnut Angus Annual Production Sale was held at the farm near Pipestone, MN, on Feb 26, 2020. By far the highest quality of individuals produced in the CN program. Not only exceptional phenotype but the top of the breed EPD profile to make for some true breed changers. Cattle producers from across the US and Canada were in attendance, on phones or on livesauction.tv.

A heartfelt thank you from the entire Chestnut firm for your confidence in our breeding program and it is very humbling to have the CN prefix in such outstanding programs.
