Eichacker Simmental Bull & Female Sale

Friday, March 1, 2019 • Salem, SD

The Eichacker Simmentals Production Sale was held on Friday, March 1, 2019, at the Eichacker Sale Facility near Salem, SD. Selling a combination of both bulls and females at an all video auction with the stock on display in their pens just outside the sale facility. Mother Nature did not cooperate on sale day, depositing over 6" of fresh snow the morning of the sale, but a very nice crowd braved the weather and roads and enjoyed a hot beef sundae lunch in the warm sale barn. The offering included excellent Simmental, Sim-Influenced and Red Angus bulls as well as beautiful females with

many proudly having a baby at side. It is very much appreciated by Eichacker Simmentals for the interest and support all of you have given to our program and we look forward to many years of serving as a partner in your successful breeding programs.
