Thank You Bidders & Buyers!

The 2016 Field of Dreams Sale was held at the Harker Simmental Sale facility on Sunday 9/11 near Hope, IN. The day was about as perfect as the song "Sunny and 75" and the huge crowd enjoyed the warm hospitality of the Field of Dream Team. The offering this year included the consistently strong show heifers that were the tamest set ever as they just wanted the attention of everyone especially the kids, bred heifers and fall calving pairs. A large amount of the offering stayed in the Hoosier state and many repeat customers loaded their trailers once again.

On behalf of FOD team, we wish to thank everyone that took time out their day to join us, called and viewed on liveauctions.tv. Remember to keep us posted and our phones are always open to talk about Sim genetics!
