

# BULLS EYE BREEDERS Angus & SimAngus BULL SALE

## Thank you for a successful sale turnout!

The 15th Annual Bulls Eye Breeders Sale was held September 16, 2015 at the Gonsalves Ranch Bull Development Center near Modesto, California. This long standing sale has a new venue this year as the location was a change being held at the Development Center where customers could view the offering in their every day environment. Another new format for this sale was an all video sale viewing the cattle on big screen TVs allowing the bulls and females to relax in their pens while the sale took place. A nice crowd of both new and repeat buyers enjoyed a perfect California day with mild temps and the fabulous hospitality, both the night prior and sale day. Bulls Eye Breeders team consists of Gonsalves Ranch, Diamond Oak Cattle, Flood Bros Cattle and guest breeder, Azevedo Livestock.
