SATURDAY, MARCH 15TH AT 12:00 NOON

At West Point Livestock Auction, West Point, Nebraska

SELLING 100 HEAD

Angus, Simmental & SimAngus™

Cow/Calf Pairs, Fancy Open Heifers and Herd Bull Prospects

Plus a select group of Commerical Cow/Calf Pairs!

Welcome Cattlemen & Cattlewomen to our Dispersal Sale!

I want to start by thanking everyone who has shown interest in this dispersal. I would like to give special thanks to my parents for the opportunity to rent their ground and the support they gave me in my dream. I also want to thank all the great friends that have helped over the years.

Even though it was a very hard and sad decision to make, it was one that I had to make. I started this herd for feed efficiency, calving ease, and growth. One thing I will definitely miss is my customer relationships and friendships that have developed throughout the years. There were times when I received calls telling me how great the cattle did in their herds, and its the best feeling that you can get when you put out cattle that work.

Again, it is a sad time for me but I hope some day to get back into cattle if I have the chance. I will retain 1/3 semen revenue sharing in all the bulls with the buyer having full possession.

Thank you,
Chris Polivka

Welcome to the Polivka Dispersal Sale!

What an opportunity here to select genetics from the Polivka Powerline Cattle operation. Chris has worked hard for many years to produce this sale offering and you will find hard-working cattle that are ready to be producing in your program. As for many of us, life does take us down a different direction at times and so it the case for Chris which is the reason for the dispersal sale. The offering is stacked with industry leading bloodlines of both Angus and Simmental and as in a dispersal, nothing is held back so you will be selecting from truly the entire heart of the herd.

Join us March 15 in Nebraska at the West Point Livestock Auction for the Polivka's Powerline Cattle Complete Dispersal Sale. If you can be of assistance, please feel free to contact us or any of the marketing reps.

Sincerely,
EBERSPACHER ENT INC.
