WALSH SIMMENTALS COMPLETE HERD DISPERSAL

Welcome

WE AT WALSH SIMMENTALS WOULD LIKE TO INVITE EVERYONE TO OUR LAST AND COMPLETE DISPERSAL SALE.

This has been a hard decision to make since we have been raising Simmental cattle since 1974 with our first introduction to the breed through A.I. From there, all four of our children showed Simmental cattle in 4-H, county fairs, state fairs and a few were shown at the national shows. We feel the time has come to slow down and enjoy life. We feel we have put together a very impressive set of females through a lifetime of strict culling for the right kind – the kind that will work for the commercial man as well as the purebred seed stock producers. Our females have produced through the years: 3 Denver National Champion Bulls, 2 top selling females at the NWSS "The One" Sale and the at time high selling bull WS Revival, who has produced 2 National Champion Females so far.

Cow families are very important to us and we feel we have been very lucky to own some of the most elite donors of the breed. Ebony's Joy (that we own with our partners) has been and is the #1 Simmental female in the breed. We have kept nearly all of her females over the years and we feel they are some of the best ever. We have nearly 15 females out of her and 10 granddaughters in the herd. You will also be able to buy her embryos by many different matings and they will be good. Other top donors we have owned are 84G, selling many top herd bulls and females from her, matings will also be on this sale. Other top donors are Black Abbey, 90Z, Red Jessie, Double R Kashmere T8, 47C, U38 the dam of Step Up, and N42 the dam of WS Revival, will also have embryo matings on the sale.

The females are right for the times. They are moderate, easy keeping and still have the look of a show animal. We have an excellent set of heifer and bull calves that you will be able to choose from. There will be many top prospects from show heifers to top herd bulls. We have put many of our own bulls we raised and sold, such as WS Revival, WS A Step Up, WS Stepping Stone, WS Jackson, and WS Equalizer are in bull studs and have sold a lot of semen.

I would like to thank all of our customers who have had faith in our program and supported our program year after year. We can't thank you enough.

A big thank you to all those who have helped us along the way. To those who helped at our sales, before, during, and after. I will miss the cattle but most importantly, I will miss all the great people I have met through the years.

And most important, thank you to our entire family who worked long hours to put this all together. And a special big thank you to our wives for their support, patience and assistance throughout the years.

A MESSAGE FROM SALE MANAGEMENT

Eberspacher
ENTERPRISES INC.

Welcome to the Final Chapter of Walsh Simmentals!

It will be a Sunday to remember and please accept this as your personal invitation to celebrate with Jerry & Linda along with the entire Walsh family these past 45 years of producing breed leading Simmental cattle!

Cows will come and cows will go but friendships last a life time. It has been quite a ride the past 23 years with the Walsh crew and a lot of laughs along the way. Some days we just laugh and say "You can't make this up!" This year is a first however for a broken bone. Jerry broke his ankle a few days before video and photo day so we can add that to our Walsh "done that list"!

It has been our pleasure to work with this wonderful family through the years and watch this cow herd grow to what it is today. This is the opportunity for you as beef producer to add top Walsh genetics to your herd as this is a time tested program. You will not find more SOSF Ebonys Joy L-123 daughters anywhere else and she is the #1 most prolific female in our breed with 282 head registered. The offering will be over 300 head with nothing held back along with frozen gems from L-123, Nichols Beauty 84G, Double R Kashmere, B&K Black Bertha Abby, JS Flatout Flirty, SPC Miss Tailer 47C, TJ Franchise, W/C Pinnacle, HC Power Drive 88H and WS Jackson to name a few.

West Point Nebraska is the location on September 29th that you will want to be at. Come early and bring your best "Jerry" story!! When people ask what is Jerry up to now? All we can say is "Gone Fishin'!"

A herd bull of this caliber doesn't come along very often, we were just fortunate enough to have purchased Franchise. His sire group of calves come to the top very fast, the bull calves are powerful built, deep, thick, and fancy with a great EPD profile. From the ground up, he sires excellent feet and leg structure without adding frame. He had Triangle J's top scanning group of bulls and Franchise also had the top selling bull and female for Triangle J's Ranch Sale. Franchise will no doubt be a force in the Simmental breed – from his great looking progeny, his excellent EPD profile and his high scanning ratios. He will pay for himself very quickly at any price.

Pinnacle is a herd sire we purchased from Werning Cattle Co. Pinnacle's pedigree is second to none, sired by W/C Loaded Up out of their #1 female, Miss Werning KP 8543U. Our reason for purchasing him as a herd bull was, we wanted to inject the bloodlines of his dam and also his sire's dam into our herd. Pinnacle with his pedigree, his stunning good looks will no doubt enhance your calf crop the first year. He has the ability to sire easy keeping, good looking, desirable progeny, with a pedigree to put your herd on the map. W/C Pinnacle is a full brother to W/C Bankroll. An opportunity to buy a bull of this caliber doesn't come very often. He will be cheap at any price – we feel he is one of the best purebred bulls around.

B87 is a Lock Down herd sire we raised. He is out of our best daughter of WS Ms. Macho U38, which is also the dam of Step Up. We wanted to cross the bloodlines of Step Up and Lock Down and we thought he was our best raised that year. He is a proven herd sire — just check out his calves in our past sales! They are fancy and thick made, the right kind. He is an easy calving herd sire. Dam sells as Lot 119.

An excellent Cut Above female out of our donor cow, Super Nova. Her 2018 bull calf out of WS Jackson was our 2nd high selling bull to Goecken Cattle Company of South Dakota at \$8,500. She is a tremendous cow and has a tremendous heifer calf this year out of W/C Pinnacle, the \$42,000 herd sire purchased from Werning. He is a full brother to Bankroll.
