

ELITE GENETICS SALE

WHITE SATIN^{on} ICE

The 2015 White Satin On Ice Embryo Auction was held Friday evening October 16, 2015 at the Miracle of Birth Center at the MN State Fairgrounds.

The event is a favorite of many attending the MN Beef Expo and frozen genetics from some of the finest breeders in the upper Midwest are highlighted. This year again, there was an overflowing crowd that filled the Center for the sale and enjoyed breeder's fellowship.
