**NEW SALE  
LOCATION!**

**MTSU Livestock  
Center  
Murfreesboro, TN**

Welcome Cattlemen,

On behalf of LMCS and the Tennessee Simmental cattle breeders, I would like to extend an invitation to attend a “rejuvenated” Fall Showcase Sale, to be held back again, at the MTSU Livestock Center, Murfreesboro, TN. The Tennessee Simmental breeders and consignors from Indiana and Kentucky have really stepped up their quality consignments to the Fall Showcase Sale.

This year’s consignments offer Purebred Breeders, Club Calf Programs and Commercial Producers an opportunity to purchase quality breeding stock bred to the best bulls in the breed. It’s never been a better time in the cattle business to upgrade your cow herds. We’ve had plenty of rain, grass and feed is plentiful, and the light at the end of the tunnel is looking brighter.

The consignors have really stepped up their commitment to offer you some really good money-making cattle that will increase the quality in your herds.

We would like to see you on October 24th in Murfreesboro. Give us a call if you can’t attend and we will be glad to help you with your selection.

Sincerely,  
 LMCS / Larry Martin  
 217-433-0242

## **FALL SHOWCASE 09**

**Saturday, October 24, 1:00 P.M. CST**

**MTSU LIVESTOCK CENTER**

**1720 Greenland Drive • Murfreesboro, TN 37130**

### Directions to Sale

**From Nashville:** Take I-24E to exit 81B, go to 2nd light, turn right onto Rutherford Blvd., go to the 7th light, turn left onto Greenland Dr., TLC will be 1/2 mile on left.

**From Chattanooga:** Take I-24W to exit 81 and go to 2nd light, go to 2nd light, turn right onto Rutherford Blvd., go to the 7th light, turn left onto Greenland Dr., TLC will be 1/2 mile on left.

### Sale Headquarters and Lodging

#### **Clarion Inn & Suites**

2227 Old Fort Parkway, Murfreesboro, TN 37129..... 615-896-2420

### Terms & Conditions

All cattle will sell under the suggested sale terms and conditions of the American Simmental Association, which is available at the clerk's desk. Cash or check payable during or immediately following the sale before cattle are released. Cattle will not be transferred until paid in full. Each animal will be transferred to the buyer at seller's expense. Buyers must be sure to give settlement desk the proper name and address for making transfer.

### Inspection of Cattle

The sale cattle are available for viewing on Friday, Oct. 23rd thru sale day.

### Liability

All persons who attend the sale will do so at their own risk and neither owners, TN Simmental Assn., nor LMCS assumes any responsibility, legal or otherwise, for damages, accidents, theft, errors in catalog, or omissions. All cattle are at the purchaser's risk as soon as sold. Assistance will be giving in loading and shipping of cattle, but no risk is assumed by anyone associated with the sale.

### E.P.D.'s

Please note that EPD's may change from the time of sale catalog is printed until registration paper is transferred.

### Herd Health

All cattle selling will have proper Inter-State health certificates for immediate shipment. The bred females have been pregnancy examined and are confirmed.

Larry wanted some top shelf genetics to offer in our fall sale and here they are. We don't sell very many of these embryos. We are selling a full sib to these eggs in the North American this year that everyone who visited the farm has loved. If you could see this open female you would know why we offer very few eggs for sale. Take advantage of this opportunity and invest in some really good genetics.

WAGR Dream Catcher

A tremendous opportunity to purchase genetics out of a real power donor. Independence, the high-selling lot at the Milleium 11 sale sold for \$16,000. She is big topped and massive middled. She is a beautiful fronted cow with elegance and style. The popular Dream Catcher bull is a black baldy Dream On son that is producing awesome offspring whether club calves or breeding stock. This mating will be special!

Star Venture Barbie 9122

We really hate to part with this donor cow here at B&K. We just sold a high-selling open heifer out of this cow at KENCO and she also had a high-seller last year. This cow is out of one of Randy Daniel's donor cows. Take advantage of this opportunity and purchase a sure bet donor cow that is very young with a long reproductive career ahead. This cow will flat produce some good ones.

**A-I Bred:** 4-21-09 to Ranch Hand. Due 1/31/10

If you are looking for a front pasture female as a breeding piece, look no further. Lucy LuLu 93S is out of our donor & many times champion, IVS Nova Lee. This mating with Dream On L186 has been a huge success. Lucy was no stranger to the purple just a few short years ago herself! This female represents tons of cow power from a great cow family. Lucy will fit into anyone's donor program with ease. The potential for years of success is limitless! We would like to retain the rights to a future flush at the seller's expense and new owner's convenience.

**Projected EPD's:** 10.1 / 0.15 / 26.4 / 49.05 / 7.5 / 3.95 / 17.15

Mystic Power has been one of our favorites every since we purchased her at the Sunset View Female Sale and it's hard to see her go. This big, stout Powerline female is clean fronted and has a long, square hip. This blaze faced cow's soundness, bone, and milk will make her a productive addition to any herd. We are excited about her mating to In Dew Time. She should calve by sale time. Be sure to check her out on sale day.

This March heifer calf is one to look for. She is deep sided, thick topped along with her tremendous eye appeal. She is one of the first daughters out of the Dream Master T50, a bull that Bill Couch selected for his herd in IN. The dam of 963 is sired by Traveler 004, one of the heaviest used and highest income bulls in the Angus breed. This heifer is the complete package.
