CF RODEO CASINO 100 *x, rwm	HS RODEO DRIVE 062WR *x, red	YEPD	(40.8)
	CF CASINO QUEEN X *x, r/w	MEPD	6.0

**Selling the right to one flush; guarantee eight embryos with entire flush going to buyer. Half down sale day with remainder due upon completion of flush. Buyer to pay all expenses. Flush to take place at Food Animal Vet Clinic, Rensselaer, Indiana. We will offer CF Primo or CCS Equity's Charmer semen for the flush.**

**Polled.** This cow is just awesome! We have sold two flushes in this cow that have averaged \$5,000. She is a full sib to all the Cates' Queen cows. This cow family is probably the most consistent than any in the breed. She was recently named a Champion Performance Cow at the 2008 Illinois State Fair as a seven-year-old. Gana-Nisley has a heifer from their flush in Nate Kolterman's Sale that looks like a real smoker.

**Selling the right to one flush; guarantee six embryos with entire flush going to the buyer. We will offer semen on CF Primo or CCS Equity's Charmer for this flush. Half down sale day with remainder due upon completion of flush. Buyer to pay all expenses. Flush to take place at Food Animal Vet Clinic, Rensselaer, Indiana. Polled.** These genetics should come with a guarantee! This pedigree is stacked with some of the top genetics the breed has to offer. She was a past sale topper at a past WHR Sale. Her picture doesn't do her justice you should come to Columbia and see her in person. A daughter topped a past CCS Sale at \$15,000. She has flushed extremely well for us, so we feel fortunate enough to offer this flush to you.

**Polled.** Full sib to the National Champion WF Evergreen Sable. This female topped a past CCS Sale at \$55,000. Buy these genetics with confidence as they are the most sought after cattle of this era.

**3a. Selling one package of three embryos sired by CCS Equity's Charmer. These embryos collected at the Food Animal Vet Clinic, Rensselaer, Indiana.** These embryos will be genetic full sibs to the National Champion, Milestone Sable 01.

*Consigned by Waymar Show Cattle*

**3b. Little Mattis P301 x.** Heifer, roan, polled, calved 3/1/08, LE 301. Sired by CF Primo X \*x. This gem will win her share of purple just like her ancestors. Line breeding T90 is just like the great genetics Nick Steinke has created in his program. This is a fool proof mating. BW: 80 lbs. CHV. TH Carrier.

**general sale information**

**Air Travel:** Kansas City International Airport at Kansas City, Missouri, has many flights daily from all points in the United States and Canada. Also, a small airport is located at Columbia Regional Airport, two miles from the farm. Call Don Mayse to make arrangements for a ride to the sale.

**Breeding Guarantee:** The Standard Breeding Guarantee as endorsed by the American Shorthorn Association will be followed.

**Health:** Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states.

**Terms:** Terms of the sale are cash. Settlement is to be made with the clerk immediately following the sale and before cattle are removed from the premises.

**Liability:** Each animal will be at the buyer's risk as soon as sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, sale management, auctioneer, or any other persons affiliated with the sale may be held responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

**Insurance** will be available sale day through Harding and Harding. Contact either their representative or the clerk at the settlement desk.

**Transportation:** Trucking will be available on sale day at buyer's expense.

**Registrations And Transfers:** All animals sell with completed pedigrees or applications for registration.

**Mailed Bids:** Mailed or telephoned bids will be handled in a most confidential manner. If you are unable to attend the sale personally, simply contact a representative of this sale far enough in advance prior to sale day. They will be able to assist you at ringside on sale day.

**Announcements** made from the auction block take precedence over all printed material in this catalog.

**Update On Breeding And Calving Information:** There will be added information available at the sale site that will list any additions to the catalog information as to new calves born and new breeding information that will occur after the printing of this catalog.

**American Shorthorn Association Genetic Defect Disclaimer:** Unless an animal is listed on the American Shorthorn Association "genetic defect status list", the American Shorthorn Association makes no representation of any kind as to whether or not the animal has a genetic defect.
