The 2019 Field of Dreams Production Sale was held at the Harker Sale facility near Hope, IN on October 6th. Along with many repeat customers and new buyers to the sale, Mother Nature did her part to add a few rain showers to settle the dust.

Something that has not happened much this summer in the area. Hospitality always runs deep at the Harker sale facility and this year was no exception to the red carpet treatment for all. The FOD team this year consisted of host firm Harker Simmental, Hobbs Farms, Beshears Simmentals, Nichols Cattle Co, Hege Cattle CO, H2O's Cattle and Hoffman Farms.

Thanks to all that attended in person or on liveauctions.tv as we truly appreciate you! We are always available to assist you in the future and it is our plan to keep the bases loaded!
